

Eco-noeing®

ecotours in canoes!

explained . . .

Eco-noeing starts and ends here!

We'll pick up anywhere in **Kununurra** between 6.30 - 7am, pack your gear and pick up ice and head out on the 75km drive to **Lake Argyle** for your adventure! Sorry, but we do not transfer back to the Lake when you return

'All the Way'

Eco-noeing paddling tours finish here! Paddle 'All the Way' back thru **Lake Kununurra** over 3 or 4 days for the best value holiday for your money. Now available daily from **Maxwell Camp**

Note: No roads! boat access only

NEW! 'Maxwell Camp'

A new **Eco-noeing** campground with road access! (4wd only)
* New 4 day option *
Optional finish point for the sunset river cruise
Parking/storage FOC
Campground available

'Paddle in Paradise'

This overnight adventure extends the 'Sunrise-Sunset' paddle with ample time to explore down to the Spillway/Stonewall Creek for the 'Arvo Pickup' sunset river cruise back to Kununurra

'Sunrise - Sunset'

On our one day tour you paddle self-guided on the faster water in the morning down to **Carlton Gorge**, where after lunch your guide will pick you up in a powerboat and take you for a bushwalk with eco interpretation and optional swim in a spring waterfall then sunset cruise all the way back to Kununurra.

All **Eco-noeing** tours paddle away each day after the safety briefing instructions at the 'Top Dam' downstream self-guided on the mighty Ord!
